1 OBJECTIVE

The Charter Township of Gaines (GCT) has determined the interior lighting by fluorescent bulbs at the Kent District Library – Gaines Township Branch (KDL) should be replaced with light-emitting diode (LED) lights. The exterior lighting should also be replaced with LED lights. This request for proposals is to select a qualified bidder for providing and installing interior and exterior lighting to replace the existing lighting at the KDL Gaines Township Branch, located at 421 68th St SE, Grand Rapids, MI 49548.

It is GCT's objective to select a bidder based on this request for proposal and work with the successful bidder to complete the specific scope of work.

2 SELECTION OF REASONABLY QUALIFIED BIDDER(S)

GCT will determine which bidders are reasonably qualified for the consideration of the award of the Contract.

3 ABILITY TO PERFORM

GCT may, at any time, investigate a bidder's ability to perform services. GCT may require additional information about the company and its service on previous contracts. Bidders who do not submit all required information in the required format will not be considered.

4 OUTSIDE SOURCES

GCT may use sources of information not supplied by the bidder concerning an organization's ability to perform this work. Such sources may include current or past customers of the organization; current or past suppliers; articles from other published sources such as industry newsletters or from a non-published source made available to GCT.

5 BID FORMAT

Each proposal shall contain five (5) sections titled and tabbed in accordance with the following:

5.01 Qualifications, Experience and Project History

In an introductory letter, not to exceed two (2) pages, clearly describe proposer's ability to successfully perform the scope of services enumerated herein to identify how the firm meets each minimum qualification requirement, and affirm proposer's understanding of the project components and applicable laws and regulations. This letter shall be signed by the individual authorized to bind the Contractor to the proposal and include firm name, contact name(s), mailing address, telephone number and email address.

Provide profile of Contractor who will be assigned to this project, including history (minimum of three (3) years) of similar work of similar size, scope and complexity as the project specified herein, applicable licenses, certifications, and trainings. Insert the completed Contractor Experience Questionnaire Form.

5.02 Project Approach and Work Plan

Proposer shall convert the proposed scope of services into a detailed programmatic approach addressing all work elements, including project supervision, a project schedule, accounting methods

and information regarding subcontractors (where applicable) providing materials/services in order to complete the work. Project schedule should include details of assumptions regarding lead time, necessary permitting and other potential factors that may impact the timeline.

Identify any special problems or concerns that may be associated with the work and preliminary ideas about how these items should be addressed, to include but not be limited to traffic, resident/business grievances, verification of supply voltage and recycling services (luminaires, lamps, etc.).

Provide information regarding proposed product quality, value added special services, knowledge, expertise, or other benefits or advantages that will be afforded the Township in selecting your firm for this project.

5.03 Resources, Availability and Warranty

- A. Provide a chart showing firm's staffing configuration and safety protocols.
- B. Provide information about the firm's quality control standards and objectives, offering specific examples from past projects.
- C. Provide information about the product/material proposed, equipment and resources to be utilized in performance of the program.
- D. Provide with response product information for the proposed luminaires.
- E. Warranty information:
 - o Identify extended warranty and surety bond coverage options for the luminaires beyond the minimum requirement stipulated herein.
 - o Identify the warranty coverage for labor and installation included in the proposer's price. Identify extended coverage options (if any) beyond the included coverage.

5.04 Client References

Proposer shall complete the Contractor Reference Form herein to provide three (3) references of clients which have utilized proposer's services within the last three (3) years. *(Please see Vendor References form included in this packet)*

5.05 Price Proposal

- A. Price: Proposal amount must be provided in correlation with the Bid Table. Proposer must include in proposal package the completed Bid Table. Price submitted must be based upon and include any and all aspects of the mobilization/start-up, installation, and project close-out. The price component, in addition to all direct and indirect costs and expenses, must include all other costs and expenses, including but not limited to, such costs as the proposer's general, administrative and overhead costs; project management and supervisory costs, all fees, charges; labor, direct and indirect payroll costs, including labor burden, insurance and bond costs, cost of equipment, material, tolls and transportation and operating margin (profit). *(Bid Table included in this packet)*

6 LIGHT SPECIFICATION

6.01 Definition

The following LED light criterion establishes the standard for light replacement for the KDL Gaines Township Branch.

6.02 Scope of Work

The Contractor shall provide all necessary labor, material, equipment, and supervisory personnel necessary to provide and install LED lighting within the limits of the contract scope. Contractor shall be responsible for the safe disposal of waste materials, including old bulbs.

Contractor shall make a written recommendation regarding the placement, type, and quantity of lights. The Contractor will work with GCT personnel within the scope of the contract. Prior to an approved contract with GCT, there will be no guarantee, implied or expressed, of payment or a future contract.

6.03 Deviations or Substitutions

Contractor shall provide LED lights in accordance with the specifications herein. Any deviations or substitutions from this specification must be approved by GCT, in writing, prior to the submittal of a proposal. If any are approved by GCT, an addendum will be issued to all bidders defining the allowed substitution.

Contractor may include deviations or substitutions in the response to the Request for Proposals which were not approved beforehand provided that:

- A. Contractor includes a full bid as defined in the bid package
- B. The substitution or deviation is included in addition to the base bid package
- C. Contractor includes a cost of the substitution or deviation

6.04 Technical Specifications

- A. LED lights to provide lighting throughout KDL Gaines Township Branch, including outside lighting.
- B. LED light fixtures for panels shall be a replacement for existing light fixtures, rather than simply changing the bulbs from fluorescent to LED. The fixture shall be of a style where individual diodes are not discernible. Recessed lighting and outside lighting can either be a complete fixture replacement, listed retrofit and replacement of the existing bulb to an LED bulb. The contractor is responsible for all materials and labor to provide functioning LED.
- C. All panel styled LED lights shall fall within the rant of the following specifications:
 - o Line voltage lamps
 - o No greater than 40 Watts
 - o Color Temperature: Daylight or Bright White, as approved by GCT
 - o L70 Calculated Life: No less than 200,000 hours
 - o Energy Star or DesignLights Consortium (DLC) qualified
 - o No Less than 3000 Lumens
 - o Five (5) year warranty or greater

- D. Other interior LED bulbs or recessed shall fall within the range of the following specifications:
- Line voltage lamps
 - No greater than 35 Watts
 - Color Temperature: Daylight or Bright White, as approved by GCT
 - L70 Calculated Life: No less than 125,000 hours
 - Energy Star or DesignLights Consortium (DLC) qualified
 - No Less than 250 Lumens
 - Five (5) year warranty or greater
- E. Outside LED Bulbs shall fall within the range of the following specifications
- Line voltage lamps
 - Color Temperature: Daylight or Bright White, as approved by GCT
 - L70 Calculated Life: No less than 35,000 hours
 - Energy Star or DesignLights Consortium (DLC) qualified
 - No Less than 3000 Lumens
 - Five (5) year warranty or greater
- F. Contractor shall provide specifications for the lights that are going to be used for GCT staff's review. A functioning light of the same type that is going to be used by the Contractor shall be provided to GCT staff upon request.
- G. Determining the placement of the new LED fixtures is the responsibility of the Contractor and is subject to the final approval of GCT. A photometric analysis shall be provided to show the quantity and location of lights for evaluation by GCT. The locations of the fixtures should create a uniform and symmetrical appearance in each space they are placed. Moving vents, sprinkler systems, and other permanent ceiling fixtures should be avoided. If they must be moved, it shall only be done by an individual certified to make such adjustments and only with approval from GCT.
- H. Quantities indicated in the Bid Form are estimates based on the available information and do not constitute an order. Orders will be based on the final contract. GCT will not be bound to purchase any predetermined amounts of materials. All purchases will be made on the basis of actual need and in accordance with the final contract.
- I. If a light needs to be replaced but is not listed in the Bid Form, the Contractor and GCT shall negotiate the unit price of the light prior to the issuance of the final contract. The negotiated price will be based on similar lights included in the Bid Form.
- J. Existing light fixtures, bulbs, and related items will be removed and disposed of by the Contractor.
- K. Repairs or replacement of ceiling tiles or ceiling fixtures damaged during this project must be made by the Contractor. Repairs will also be made to any other damage caused by the Contractor during the contract.

- L. Location of safety lighting (lights that remain on at all times. E.g. exit lights) will be decided by the Contractor in conjunction with input from the GCT Building Inspector.
- M. Contractor shall follow all applicable building codes during the installation of new lighting.
- N. All work premises will be cleaned daily during the construction process and at the completion of the project. The KDL Gaines Township Branch is a working library and is occupied by staff and patrons Monday – Saturday. Each area should be completed prior to moving to another area. Contractor shall work with staff on scheduling work. No work shall be scheduled for Sunday. Pricing should factor in the possibility that a workable schedule may include nights and/or Saturdays.

7 ADDITIONAL REQUIREMENTS

7.01 Schedule

Contractor shall supply a construction schedule.

7.02 Contractor Personnel

The Contractor shall have only properly trained personnel on site to perform all functions. They shall be trained in proper mechanical procedures to ensure that all operations are performed safely and effectively.

7.03 Bid Security

Each bid must be accompanied by a bond or a cashier's check drawn on a national bank, in an amount equal to 10% of the bid, as a guarantee on the part of the Contractor that he will, if called upon to do so, accept and enter into a contract on the attached form (or such form as may mutually be agreed upon by GCT and the selected Contractor, which addresses all the material provisions of the bid and response thereto, to perform the work covered by such bid and at the rates stated therein and to furnish a corporate surety for its faithful and entire fulfillment. Checks and bonds will be returned promptly after GCT and the selected Contractor have executed the Contract, or, if no Contractor's bid has been selected within one hundred-twenty (120) days after the date of the opening of the bids, upon demand of the Contractor at any time thereafter, so long as he has not been notified of the acceptance of his bid.

7.04 Evidence of Insurance

Contractor shall provide certificate of current insurance coverage in order to demonstrate insurability. Contractor shall procure and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property that may arise from or in conjunction with the performance of the work hereunder by the Contractor, his agents, representatives, employees, or subcontractors. The cost of such insurance shall be borne by the Contractor. The certificates shall contain the following express obligations:

"This is to certify that the policies of insurance described herein have been issued to the insured for which this certificate is executed and are in force at this time. In the event of cancellation or material change in a policy affecting the certificate holder, thirty (30) days prior written notice shall be given to Gaines Charter Township."

Prior to execution of the contract, the Contractor shall have GCT, GCT’s agents and employees named as an additional insured on each certificate of insurance except Worker’s Compensation and Employer’s Liability, providing written evidence of the same to GCT, and shall have each policy including Worker’s Compensation and Employer’s Liability endorsed to provide a waiver of subrogation in favor of GCT.

Contractor (and any and all subcontractors employed by the Contractor to perform any portion of the work to be performed by Contractor under this Contract) shall at all times during the contract maintain in full force and effect Worker’s Compensation and Employer’s Liability, Commercial General Liability and Comprehensive Automobile Liability Insurance. All insurance shall be placed with companies rated at least A by Best’s Key Rating Guide and for policy limits acceptable to GCT and compliant with all applicable state and federal laws. For the purpose of the Contract, the Contractor shall carry the following types of insurance in at least the limits specified below:

Minimum Limits of Insurance:

TYPE OF COVERAGE	LIMITS OF LIABILITY
Worker’s Compensation	Employer’s Liability with limits of \$1,000,000 per employee for occupational disease; \$1,000,000 policy limit for disease; and \$1,000,000 for each accident
Commercial General (Public) Liability	Combined single limit for bodily injury and property damage of \$1,000,000 per occurrence or its equivalent
Comprehensive Automobile Liability	Combined single limit for bodily injury and property damage of \$1,000,000 per occurrence or its equivalent
Excess Umbrella Liability	\$2,000,000 per occurrence
General Aggregate Limit	\$5,000,000

7.05 Liquidated Damages for Failure to Enter Into the Contract

The Contract shall be deemed as having been awarded when GCT shall have delivered formal notice of award to the Contractor.

The Contractor to whom the Contract shall have been awarded will be required to execute three (3) copies of the Contract(s) as may mutually be agreed upon by GCT and the selected Contractor to furnish insurance certificates, all as required. In case of his refusal or failure to do so within twenty (20) days after his receipt of formal notice of award, Contractor will be considered to have abandoned all his rights and interests in the award, the Contractor’s bid security may be declared forfeited to GCT as liquidated damages and the award may then be made to the next best qualified Contractor, or the work re-advertised for bids, as GCT may elect. Such forfeited security shall be the remedy of GCT.

7.06 Site Conditions

Each Contractor shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work. Contractors shall thoroughly examine and be familiar with the General Specifications.

It is also expected that the Contractor will obtain information concerning the conditions at locations that may affect its work.

The failure or omission of any Contractor to receive or examine any form, instrument, addendum or other document, or to acquaint itself with conditions existing, shall in no way relieve Contractor of any obligations with respect to this bid or to the Contract. GCT shall make all such documents available to the Contractors.

Except with respect to events or conditions that are not discoverable, the Contractor shall make his own determination as to conditions and shall assume all risk and responsibility and shall complete the work in and under conditions he may encounter or create, without extra cost to GCT.

The Contractor's attention is directed to the fact that all applicable State laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over the work to be performed shall apply to the Contract throughout, and they will be deemed to be included in the Contract as though written out in full in the Contract.

7.07 Payment

Contractor shall be paid upon completion of work. Contractor shall submit invoice for payment of work items completed at the end of each calendar month, in accordance with the unit bid prices. Contractor shall submit invoice for payment of work items completed during the previous month by the fifth of each month. Partial payments will not be made.

A 10% retainage will be withheld on all payments. Retainage will not be released until the work is completed in its entirety, including all punchlist and cleanup work items.

7.08 Site Responsibility

Contractor shall be responsible for the site once GCT issues a notice to proceed for the contract.

Contractor shall be responsible for cleaning the site daily and at the end of the project. Final payment will not be made until site is cleaned, all excess material is removed and disposed, and all damages are repaired.

7.09 Energy Rebates

Contractor shall be responsible for pre-qualifying proposed installation with Consumers Energy, ensuring proposed installation meets requirements for rebates being offered by Consumers Energy. Contractor shall be responsible for submitting the request(s) for rebate(s) upon completion of the project.

8 NAME, ADDRESS, AND LEGAL STATUS OF CONTRACTOR:

8.01 Legal Status

The bid must be properly signed in ink and will include the physical and mailing address of the Contractor. The legal status of the Contractor, whether a corporation, partnership or individual, shall be stated in the bid. A corporation shall execute the bid by its duly authorized officers in accordance with its corporate by-laws and shall also list the State in which it is incorporated. A partnership Contractor shall give full names and addresses of all partners. Partnership and individual contractors will be required to state in the bid the names of all persons interested therein. *(Contractor Information and Signature form included)*

8.02 Place of Residence

The place of residence of each Contractor, or the office address in the case of a firm or company, with country and state and telephone number, must be given after signature.

8.03 Joint Venture

If the Contractor is a joint venture consisting of a combination of any or all of the above entities, each joint venture shall execute the bid.

9 QUALIFICATIONS OF CONTRACTOR

9.01 Acceptance as Qualified

The opening of the bid shall not be construed as an acceptance of the Contractor as a qualified, responsible Contractor.

9.02 Supporting Documentation

In the event GCT requires additional certified supporting documentation regarding the qualifications of the Contractor in order to determine whether he is a qualified, responsible Contractor, the Contractor will be required to furnish the requested information.

10 DISQUALIFICATION OF CONTRACTORS

Although not intended to be an exhaustive list of causes for disqualification, any one or more of the following causes, among others, may be considered sufficient for the disqualification of a Contractor and the rejection of his bid:

- A. Evidence of collusion among Contractors
- B. Lack of competency as revealed by financial statements, experience or equipment statements as submitted, or other factors
- C. Lack of responsibility as shown by past work, judged from the standpoint of workmanship as submitted
- D. Default on previous GCT contract for failure to perform
- E. Incompleteness of bid

11 METHOD OF AWARD

GCT reserves the right to accept any bid or to reject any and all bids, and to waive defects or irregularities in any bid. In particular, erasure or interlineation of the Contract Documents and of the bid shall render the accompanying proposal irregular and subject to (but not requiring) rejection by GCT.

12 COMPLIANCE WITH LAWS

The Contractor, its officers, agents, employees, contractors, and subcontractors shall abide by and comply with all laws, federal, state, and local. It is agreed and understood that, if GCT calls the attention of the Contractor to any such violations on the part of the Contractor, its officers, agents, employees, contractors, or subcontractors, then Contractor shall immediately desist from and correct each violation.

13 DISCRIMINATION PROHIBITED

Contractor, in the execution, performance, or attempted performance of this service, shall not discriminate against any person because of sex, race, religion, color, or national origin. The Contractor must be an equal opportunity employer.

14 TERM

The term of service shall expire upon completion of the LED light project and with GCT's final acceptance of the work.

15 LICENSE AND TAXES

The Contractor shall obtain all licenses and permits (other than any license and permit granted by the Contract) and promptly pay all taxes required by the State.

16 INDEMNITY

The Contractor will indemnify and hold harmless GCT, its officers, and employees from and against any and all suits, actions, legal proceedings, claims, demands, damages, costs, expenses, and attorney fees arising out of a willful or negligent act or omission of the Contractor in the performance of this contract. GCT will not be responsible for negligence of Contractor, or any of its agents, employees, or customers.

17 BOND

17.01 Performance, Payment and Maintenance Bonds

The bid shall be accompanied by a letter from a corporate surety satisfactory to GCT, stating that a Performance Bond will be furnished by it to the person submitting the Proposal in the event he is the successful Contractor. Such letter is to be signed by an authorized representative of the surety together with a certified and effectively dated copy of his power of attorney attached thereto.

The successful Contractor will be required to furnish performance and payment bonds as security for the faithful performance of this Contract. Said bonds must be in an amount equal to 100% of the awarded bid.

The surety on the bond shall be a duly authorized corporate surety to do business in the State of Michigan.

17.02 Power of Attorney

Attorneys-in-fact who sign bonds must file with each bond a certified and effectively dated copy of their power of attorney.

18 TRANSFERABILITY OF AGREEMENT

Other than by operation of law, no assignment of the Contract or any right accruing under Contract shall be made in whole or in part by the Contractor without the express written consent of GCT, which consent shall not be unreasonably withheld as long as the assignee meets the same financial stability, safety record, and customer service record as required in the Request for Bid. In the assignment, the assignee shall assume the liability of the Contractor.

19 NOTICES

Any notice required or permitted to be delivered hereunder shall be in writing and shall be deemed to be delivered when deposited in the United States mail, postage paid, certified mail, return receipt requested, addressed to the respective part of the address set forth below:

Gaines Charter Township
Attn: Supervisors Office
8555 Kalamazoo Ave., SE
Caledonia, MI 49316

20 FORCE MAJEURE

Notwithstanding anything herein to the contrary, Contractor shall not be liable for the failure to perform its duties if such failure is caused by a catastrophe, riot, war, governmental order or regulation, fire, act of God, or other similar or different contingency beyond the reasonable control of the Contractor.

21 SEVERABILITY

In the event that any provision or portion thereof of any Contract document shall be found to be invalid or unenforceable, then such provision or portion thereof shall be performed in accordance with applicable laws. The invalidity or unenforceability of any provision or portion of any Contract document shall be affect the validity or enforceability of any other provision or portion of any Contract document.

22 SUBMISSION OF BID

- A. Submit three (3) copies of the response to this RFP. Sealed proposals shall be clearly marked and delivered to:

Gaines Charter Township
Supervisor's Office
8555 Kalamazoo Ave., SE
Caledonia, MI 49316

KDL GAINES TOWNSHIP BRANCH LED LIGHT PROJECT

- Faxed or emailed documents are not acceptable. Responses received at any other location or any other office than the aforementioned, or after the proposal submission date and time, will be deemed non-responsive and will not be considered.
- B. Responders should allow mail delivery time to ensure timely receipt of their submittal. Post marks will not qualify as evidence of a timely submittal.
- C. All RFP submittals shall become the property of GCT, will not be returned, and are considered a matter of public record after the contract is awarded.
- D. This RFP does not and shall not commit GCT or any of its agents to enter into any agreement, to pay any costs incurred in the preparation of any response to this RFP, or to procure or contract for any services or supplies.

- E. GCT reserves the right to accept or reject any or all responses to this RFP, to enter into a contractual agreement with any contractor submitting a response to this RFP, to delay and/or cancel in part or in its entirety this RFP, if it is in the best interest of the Township (in their sole opinion) to do so.
- F. GCT reserves the right to waive any inconsistencies or discrepancies in the RFP if the Township determines it is in their best interest to do so. GCT may reject responses that do not meet the requirements of the RFP in any respect.
- G. Response to this RFP is entirely voluntary and made with this knowledge.
- H. Responders certify their proposal has been arrived at independently and has been submitted without collusion designed to limit independent bidding or competition.
