

**CHARTER TOWNSHIP OF GAINES  
KENT COUNTY, MICHIGAN**

**P.A. 198 PROPERTY TAX ABATEMENT POLICIES**

The following policies shall apply to the Township's consideration of requests to establish industrial development and plant rehabilitation district and approve applications for industrial facilities exemption certificates pursuant to Act 198 of the Public Acts in 1974, as amended ("Act 198"), MCL 207.551 et seq.:

1. **Commencement of Process; Filing of Application; Definitions.** The applicant for an industrial facilities exemption certificate (an "IFT Certificate") shall file a complete Application For Industrial Facilities Exemption Certificate (Michigan Department of Treasury Form 1012, as amended) (an "Application") in conjunction with a written request to establish an industrial development district or plant rehabilitation district (a "District"). This Application must be accompanied by all applicable attachments (including a legal description and survey of the boundaries of the requested District) and supporting information and payment of the Fee Deposit required by Paragraph 10. The Township will not process or consider an Applicant's request to establish a District until the Township has received a properly completed Application (including all applicable attachments and exhibits) and Fee Deposit.
2. **Site Plan Approval before Considering Establishment of a District.** The Township shall not consider a request to establish a District before the Township Planning Commission or Site Plan Review Committee, grants any required site plan approval for the project.
3. **Establishment and Boundary of a District.** Under the provisions of Public Act 198, a District must be established prior to the Application for an IFT Certificate. The District must be a legal description of the parcel of land on which the abatement is to take place. If a District currently exists on the property, the applicant may proceed directly to the Application of an IFT Certificate.
4. **Limit on Term of District.** There will be no limit on the term of a District. However, the Township reserves the right to revoke a District at any time. IFT Certificates approved by the State Tax Commission for facilities located in the District shall continue in full force and effect for the approved term of the IFT Certificate. In the event an applicant applies for an IFT Certificate for additional real and/or personal property on the site of a District whose term of existence has terminated, the consideration of the Application for the new IFT Certificate is subject to the establishment of a new District in accordance with Act 198.
5. **Maximum Term of Tax Abatement.** The maximum term of an IFT Certificate to be approved by the Township shall be twelve (12) years for real property and six (6) years for personal property. The actual term of an IFT Certificate will be based on the following table:

As adopted on 4/13/98  
Amended 6/12/00

\$500,000 - \$749,999	8 years	4 years
\$750,000 - \$999,999	10 years	5 years
\$1,000,000 +	12 years	6 years

6. **Minimum Amount of Investment.** The Township will not create an industrial development or plant rehabilitation district, nor approve an application for tax abatement, unless the minimum amount of investment for which abatement is requested is \$100,000.
7. **No Extension of Term.** The Township will not approve an Application filed with the Township pursuant to PA Act 198 for the extension, renewal or reissuance of an IFT Certificate previously approved by the Township Board.
8. **No Speculative Buildings.** The Township will not establish a District for a speculative building (as defined in Act 198).
9. **Transfer of Certificates.** An IFT Certificate may be transferred and assigned by the holder of the IFT Certificate to a new owner or lessee of the facility but only with the approval of the Township and the State Tax Commission after application by the new owner or lessee, and notice and hearing in the same manner as provided in this policy and Act 198.

An IFT Certificate may be transferred from another jurisdiction into the Township, subject to approval by the legislative body of that jurisdiction and with the approval of the Township and the State Tax Commission after application by the new owner or lessee, and notice and hearing in the same manner as provided in this policy and Act 198.

The Township Board reserves the right to decrease or increase the existing term length involved in the transfer of an IFT Certificate.

10. **Application Fee.** The Township shall charge an applicant an application fee to process an Application. The application fee shall not exceed the **lesser** of (a) the actual cost incurred by the Township to process the Application (including, for example, legal, publication, mailing and similar costs), (b) two percent (2%) of the total property taxes abated under Act 198 for the term of years that the IFT Certificate is in effect or (c) \$2,000. The Township will not file the Application with the State Tax Commission until full payment of the application fee, as billed, is received. If an Application is subsequently denied or withdrawn, the Township shall be entitled to payment of its actual costs incurred up to such denial or withdrawal, subject to the above stated limits.
11. **Fee Affidavit.** There shall be attached to each Application, approved by the Township and filed with the State Tax Commission, an affidavit, signed by the Township Assessor and by the applicant, which states that no payment of any kind in excess of the fee allowed by Section 5(3)

*As adopted on 4/13/98  
Amended 6/12/00  
Amended 7/14/08*

of Act 198 has been made or promised in exchange for favorable consideration of the Application.

12. **Agreement.** In accordance with Section 22 of Act 198, the approval of an Application shall be subject to the execution of a Tax Abatement Agreement between the Township and the operator of the facility outlining conditions/recourse to be upheld during the term of the IFT Certificate. A sample Tax Abatement Agreement is attached hereto as Attachment I.
13. **Revocation of Certificate.** The Township reserves the right to revoke an IFT Certificate in accordance with Section 15 of Act 198, the terms and conditions of the Tax Abatement Agreement or upon the failure of the Applicant/Owner/Occupant of the facility to pay ad valorem and/or industrial facilities taxes prior to the same becoming delinquent in accordance with applicable law.
14. **Variations.** The Township Board reserves the right to vary from these policies. Such variations shall only be considered by the Township Board on a very limited basis where the nature of the project in the sole judgment of the Township Board (as determined by the Township Board in the exercise of its reasonable discretion) is so significant that it presents a unique opportunity for the Township and its residents.
15. **Checklist of Procedures.** The Township shall develop a checklist of procedures to allocate the responsibilities for filing and processing an Application between the Township and the Applicant. It is intended that a copy of these policies and the checklist will be provided to each potential Applicant at the time the Applicant first contacts the Township to discuss a potential Application.
16. **Inconsistencies.** In the event of an inconsistency between the terms of these policies and Act 198, the provisions of Act 198 shall prevail.
17. **Schedule of Hearings.** The Township Supervisor is hereby authorized to schedule the required public hearings for the creation of the industrial development district and consideration of the application for tax abatement, and to arrange for giving notice of these hearings as required by law. In his discretion, the Township Supervisor may instead request that the Township Board approve the time and date of these public hearings.

8. The Township shall provide at least 15 days written notice to **ABC** if the Township intends to take action to enforce this Agreement, and shall permit **ABC** an opportunity to be heard concerning the matter at a special or regular meeting of the Township Board. The Township shall not require repayment, or revoke or reduce the term of the certificate, unless investment or employment are less than the commitments made in paragraphs 1, 2 or 3 for a continuous period of more than 180 days.

9. Not later than 90 days following completion of the installation of the Property, **ABC** shall provide to the Township certification of all amounts spent on the Property in the Facility. **ABC** shall also, at that time, certify to the Township the number of full-time (over 35 hours per week) employees presently working at the Facility.
