Demolition Permit Requirements

The Byron Gaines Utility Authority, the Gaines Charter Township (GCT) Water & Sewer Department and the GCT Building Official will be involved in issuing demolition permits. Permits from both the Building Department *and* the Water & Sewer Department may be necessary. Please follow the instructions below.

Demolition Permit from the Building Department:

1. Obtain verification of disconnect activities by your gas and electric provider.
2. Complete and submit a Demolition Permit Application form which is available from GCT, with the gas and electric disconnect verification documents. Forms are available at www.gainestownship.org. Completed copies may be mailed or faxed to the attention of the Building Official at (616 698-2490).
3. Once approved by the GCT Building Official, the Demolition Permit must be paid and picked up at the GCT office. Demolition Fees are the greater of \$.07 per sq ft plus a \$50 Administrative fee or a \$90 minimum fee.

Water & Sewer Disconnect or Abandonment Permit

4. If the building to be demolished is within the Water & Sewer System, acquire and complete a "Water & Sewer Disconnect or Abandonment Application" form from the Water and Sewer Administrator at GCT. The fee for residential is \$50 and commercial properties are \$100. This form is available at www.gainestownship.org or at the GCT office. If you are unsure of whether you are in or out of the "system", contact the Water & Sewer Administrator at the GCT office. The permit must be paid before work begins.
5. If the building is **not** within the Water & Sewer System, proceed to "Required Inspections", "Building Official" below.
6. Schedule an appointment to have the meter removed and the utility shut off with the Byron Gaines Utility Authority (BGUA) at (616 971-0002). The following requirements must be met:
 - a. **Prior to beginning work, contact the BGUA to ensure compliance with specifications and ordinances.** The specifications and ordinances are available for your review on the

GCT website defined in the “Byron Gaines Utility Authority Standard Construction Requirements 2009” and the addendum, “Addendum to Byron Gaines Utility Authority Standard Construction Requirements” which can be found in the Water & Sewer Department, Codes and Ordinances section.

- b. Schedule your appointment by **12:00 noon, 48 hours in advance**. Note that appointments are scheduled as received.

Required Inspections:

Water & Sewer

A BGUA Inspector must be on site as disconnects are performed **or** you can submit the following documentation to the Water & Sewer Administrator at GCT:

1. Well log.
2. Pump tag, after the septic tank has been pumped and removed.

Building Official

Contact the GCT Building Official to schedule an inspection of the demolition site.
